Dissertation Assistance and Coaching Services

This service, which includes coaching for all phases of the dissertation, is ideal for those working on a concept paper, prospectus, or proposal. Your assigned dissertation coach will review your work and provide concrete feedback and strategies for improving your literature review, research questions, hypotheses, methodology, data analysis plan, results chapter, and discussion chapter. Your coach will also help you locate scholarly sources and work with you to address any comments or feedback from your dissertation chair and committee. We also offer dissertation defense preparation, which includes a mock defense. You will work with your coach via email, telephone, Skype, or Zoom.

Dissertation Assistance and Coaching Fees

5-hour discount dissertation coaching package: **\$575**

10-hour discount dissertation coaching package: **\$1050**

Hourly rate for dissertation coaching: **\$130 per hour**

Quantitative Data Analysis: Tutoring and Packages

As a part of our data analysis tutoring service, we provide coaching with regard to summarizing statistical results and explanation of data analysis output at a rate of \$130 per hour. Active use of statistical analysis software and narrative summaries of statistical analysis can be included. If you need additional support for running your statistical tests, please review our data analysis packages below. They are often more economical than the hourly rate.

Quantitative Data Analysis Packages

*Statistical analyses can be completed using SPSS, STATA, SAS, or Amos.

Package 1: Dissertation Statistics Consultation (maximum of 5 hrs. service)

1. Review of your research design and methodology
2. Modification of your database & scoring of subscales in if needed
3. Up to 5 statistical analyses
4. Output files

Fee: \$995

*Additional hours can be purchased at \$125.00 per hour.

Package 2: Dissertation Statistics Consultation (maximum 9 hrs. of service)

1. Review of your research design and methodology
2. Construction of your databases & scoring of subscales if needed (with recoding and elimination of outliers and skewed data)
3. Up to 10 statistical analyses
4. Output files
5. 1 hour of results section writing coaching (no explanations in writing)

Fee: \$1,300

*Additional hours can be purchased at a discounted rate of \$120.00 per hour.

Package 3: Dissertation Statistics Consultation (maximum 12 hrs. of service)

1. Review of your research design and methodology
2. Construction of your database & scoring of subscales if needed
3. 10-15 statistical analyses
4. Output files
5. Brief summary of your results (with tables and narrative in APA style)
6. 1 hour of results section coaching to help you understand your analysis and results.

Fee: \$1,795.00 (most common package purchased)

*Additional hours can be purchased at a discounted rate of \$115.00 per hour. Analyses are based on the data analysis plan outlined in your proposal. Any additional analyses requested by your committee after the analysis has been completed will incur an additional charge.

Qualitative Data Analysis Packages

*Qualitative analyses can be completed using NVivo, ATLAS.ti, MAXQDA, or Dedoose.

Qualitative Analysis Package 1: (maximum of 5 hrs. service)
